REPORT  
OF THE  
BOARD OF MANAGEMENT  
for the Year 1941.

---

The Board of Management has pleasure in submitting its Report for the year 1941.

**Obituary.**

With deep regret, the deaths of the following gentlemen, which took place after the end of the year under review, are recorded :

Mr. K. M. DUNCAN, F.R.C.S., had served the Infirmary as a member of the Visiting Surgical Staff for thirty years and as the Senior Surgeon for twenty years. A gifted diagnostician and operator, he was held in much esteem by the people in the Infirmary's area, not only for his great surgical skill, but also for those gifts of sympathy, kindness and understanding which endeared him to his patients.

ALDERMAN F. W. F. MATTHEW, who was a Freeman of the Borough of Preston, had been a member of the Board of Management for eighteen years, the last seventeen of which he had served as Joint Honorary Treasurer. He was deeply interested in the work, and rendered valuable service to the Hospital and the patients.

### Board of Management.

Mr. W. Allison Davies, C.B.E., J.P., was appointed Vice-Chairman, and Mr. R. T. Easterby, J.P., Joint Honorary Treasurer. The following gentlemen were elected Members of the Board.

Mr. R. H. Smith, J.P., as a Subscribers' Representative.

Mr. John Sumner (of Leyland Motors, Ltd.) and Mr. Isaac Booth (of the English Electric Co., Ltd.) as Representatives of Contributors to the Workpeople's Fund.

### The Year's Work.

The volume and standard of the Medical and Surgical work have been maintained at a high level, the services not having been curtailed in any particular. Whilst new methods of treatment have been introduced, for the first time in many years no new development or clinic has been commenced. Though the war has for the time being postponed the development programme, the Board intend, as soon as practicable after the termination of hostilities, to proceed with the erection of the projected Orthopaedic and Private Patients' Wings and to introduce the higher degree of specialisation which will become necessary if the Infirmary is to occupy the more important place which it is expected to take in the post-war hospital services.

The aggregate number of patients treated was 44,241 (an increase of 4 per cent.), the daily average number being 1,105 (348 In-Patients and 757 Out-Patients).

					1941	1940
Number of In-Patients	...	...	...	...	6,945	6,879
Out-Patients	...	...	...	...	37,296	35,554

Hospital for Women and Children	...	...	...	...	705	662
In-Patients transferred to Willows Auxiliary						
Hospital for Men	...	...	...	...	524	530

No less than 14,912 persons were treated as the result of accidents and as emergency cases, of whom 2,809 were In-Patients.

Through the generosity of the Cotton Districts Convalescent Fund, 21 patients were transferred for the treatment of rheumatic conditions to the Devonshire Royal Hospital, Buxton.

### **War Service.**

As well as providing hospital treatment for thousands of war workers, the Infirmary, as a unit of the Government's Emergency Hospital Service, rendered service during the year to a large number of members of the Armed and Civil Defence Forces and also official evacuees.

The Blood Transfusion Service has been active during the year; the Blood Bank collected from a large number of self-sacrificing donors a considerable quantity of blood, which was converted by the Pathological Laboratory staff into blood plasma and sent to "blitzed" centres and overseas to sustain sick and injured members of His Majesty's Forces.

Air Raid Precautions and the emergency organisation for dealing with air raid casualties or other emergencies have been constantly reviewed and considerably developed.

### **The Medical and Surgical Staff.**

The Board records its indebtedness to the members of the Visiting Medical and Surgical Staffs for the high standard of their work and unremitting care of the patients, and extends its thanks for the efficient services rendered by the Resident Staff.

Mr. R. Cunliffe Shaw, M.Sc., F.R.C.S. (previously Assistant Surgeon) has been appointed full Surgeon; and

Mr. G. M. Arnott, F.R.C.S.E. (Resident Surgical Officer), Assistant Surgeon.

In accordance with the recommendations of the British Medical Association, both appointments will be temporary for the duration of the war and one year afterwards. The Board have reason to believe that these gentlemen will maintain the high standard of the surgical staff.

### **The Nursing Staff.**

The Annual Distribution of the Training School Medals and Prizes was made on the 26th May by Dame Kathleen Jones, S.R.N., R.R.C., Matron-in-Chief of Queen Alexandra's Imperial Nursing Service.

The Board records its appreciation of the skilful and devoted manner in which, under the excellent leadership of Miss Marks (the Matron of the Infirmary) the nursing staffs have carried out their duties and values very highly the kindness and sympathy shown by them to the patients.

Miss Marks' services were recognised by the conferment by His Majesty the King of Membership of the Order of the British Empire in the Birthday Honours List, and the Board extend to her their hearty congratulations on this well-deserved honour. They also extend their thanks and appreciation to Miss Rossiter (the Assistant Matron) and to Miss Ronson and Miss Rice (the respective Matrons of the Auxiliary Hospitals) for their valued services.

The most satisfactory results obtained by the nurses in training in the examinations of the General Nursing Council and the Central Midwives Board have been extremely gratifying. A large number of applications were received from candidates wishing to enter the Training School, with the result that the lists of selected trainees are booked up for two or three terms ahead, a sure indication that the reputation of the hospital continues to grow.

The comfort and well-being of the nurses receives the constant attention of the Board of Management and the Matrons, and the war has not in any way been allowed to affect the duty hours, amenities and teaching of those in training.

In common with all other hospitals—Council as well as Voluntary—the Board received a promise from the Ministry of Health of a grant towards increasing the salaries of the nursing staff, and with this assistance, the Board were enabled to make an improvement, long overdue, in the remuneration of the nurses, and it is hoped that as a result of the deliberations of Lord

Rushcliffe's Committee, a further improvement will be brought about in the near future.

### Administrative and Other Staffs.

The Board again records its appreciation of the efficient services rendered under difficult conditions by Mr. J. Gibson, the Superintendent and Secretary, and also the Clerical, Dispensary, Laboratory, Portering and Works Staffs. A considerable proportion of these staffs have been called up for services with the Forces, including Mr. J. L. Bateman, the Assistant Secretary.

### Finance—Maintenance.

A perusal of the Statement of Accounts following this Report will again show a considerable increase, due to war conditions, in the cost of maintenance— $12\frac{1}{2}$  per cent. over the previous year. One of the most pleasing features of the year's work has been the generous way in which the general public have responded to the need for additional income, so that notwithstanding the difficulties of the times for a voluntary institution, the Board is once again enabled to present a satisfactory state of affairs.

The year commenced with a deficit of £226 15s. 6d., the total income received was £88,693 7s. 8d., and the total expenditure was £88,602 11s. 7d., which included £16,867 12s. 4d. for extraordinary expenditure and provision for replacement of worn-out equipment and war-time dilapidations. The expenditure on air raid precautions was £2,344 1s. 8d., towards which it is expected that the Ministry of Health will make a substantial contribution. The net result is that the deficit was reduced to £135 19s. 5d.

The average costs per patient are as follows :

	Royal Infirmary			The Willows Hospital for Men			Lostock Hall Hospital for Women and Children		
	£	s.	d.	£	s.	d.	£	s.	d.
Annual Cost per In-Patient ...	£195	0	0	115	4	2	95	11	7

Individual Cost per In-Patient	7	13	8	4	16	3	4	12	7
Cost of each Out-Patient ...	0	6	9	—			—		

## Finance—Capital.

On Capital Account the total sum of £5,710 11s. 5d. was received and credited to the appropriate Endowment and General Purposes and Radium Funds, and in this connection it is very gratifying in these days of heavy taxation to record the receipt of the following Donations and Bequests :

### ENDOWMENT OF BEDS.

### RADIUM FUND.

Sundry Donations ... ..	1	15	0
	£5710	11	5

For the endowment of a Bed in perpetuity the sum of £1,000 (free of legacy duty) is required, and for a Cot £500 (free of duty.)

## Workpeople's Contributory Fund.

The record sum of £46,349 15s. 6d. was received for the maintenance of the Institution from the Workpeople's Contributory Scheme, an increase of £3,104 2s. 8d over the year preceding—a splendid achievement. Whilst this Fund is the main financial support of the Hospital, all the contributors receive free treatment and maintenance when they need the same for themselves and their dependents, either at the Infirmary, the Auxiliary Hospitals, the Sharoe Green Municipal Hospital, or Hospitals in other

districts, and over two-thirds of the patients treated at our own hospitals are members of the Scheme. In this connection the services rendered by the Sharoe Green Hospital are gratefully acknowledged. The Board therefore expresses its warm appreciation of the efforts made by the Officers and Members of the Committee, the general body of representatives, and those employed in the Mills, Workshops and Business Houses, as well as those who have assisted in the collection of the contributions.

### **Thanks to Subscribers and Friends.**

The Board extends its gratitude to Subscribers, Donors and Friends, including all those firms, societies and individuals who have so generously assisted with subscriptions, donations, grants, efforts, gifts in kind, or by rendering service as blood donors or in so many different ways, and especially to the following : The Clergy and members of Churches and Sunday Schools for a splendid aggregate collection of £1,559 12s. 6d ; the Mayoress of Preston (Mrs. J. J. Ward) who, with the assistance of a large band of workers in Preston and district, gathered in the record sum of £1,457 0s. 6d. as the result of the Alexandra Rose Day Effort ; the Ladies' Country Linen League, who collected £264 3s 3d. for the provision of bed and other linen for use in the Infirmary ; and, not least, the members of the Men's Voluntary Emergency Service, who have stood by during long nights to protect the patients in case of enemy action ; also the Women's Service and the Weekly Sewing Party, who have rendered most valued assistance in the various sections of the domestic field.

### **The Future.**

Even though the nation is engaged in total war with powerful enemies, the Ministry of Health, the British Medical Association, the Nuffield Hospital Trust, the British Hospitals Association, the Approved Societies under the National Health Insurance Scheme, and other bodies interested in the Health, Consultative and Hospital Services of the country, are deeply engaged in preparing plans for the establishment after the war is ended, for what it is hoped will be more efficient and better co-ordinated

Health and Hospital Services for the country as a whole. The Infirmary, as a key hospital and in the interests of the large area it serves, will play its full part in such a major development, and is endeavouring to render every assistance through the newly formed North-West Area Council of the British Hospitals Association, of which the Infirmary's Chairman and Superintendent are respectively Chairman and Secretary. Whatever arrangements may be introduced after the war as a result of these deliberations, it is hoped that the voluntary hospitals, which by virtue of their elasticity, freedom and independence have hitherto been responsible for so much of the improvement in medical science, and also become so popular with the masses of the people through the humanitarianism and traditions that have been engendered in the system, may be allowed, in the words of the Minister of Health, to become partners with the Local Authorities in any new hospital system that may be instituted.

Whatever developments in our hospital services may emerge after the war, the Board are convinced that the Infirmary will have a vital part to play in such developments, and it therefore appeals to the public of Preston and District to continue the same generous measure of support that has always been accorded to the Infirmary in the past.

On behalf of the Board of Management.

WILLIAM ASCROFT,

Chairman.

# THE MEDICAL REPORT.

*To the Board of Management of the Preston and County of Lancaster Queen Victoria Royal Infirmary.*

GENTLEMEN,

I have pleasure in submitting to you the Medical Report for the year ending 31st December, 1941.

*The League has now completed 30 years of useful work in raising £6,269 by subscriptions or donations from the surrounding country district, funds with which to purchase sheets, pillow-cases and such other articles of a like nature as may from time to time be required for use at the Infirmary. The League is governed by a General Committee elected annually from each village or district within the area served by the Infirmary. Each member of the General Committee is responsible for collecting subscriptions in the village or district which she represents. The Committee considers the Matron's list of requirements and chooses from samples previously sent such articles it considers most suitable.*

*The following articles were supplied by the League during 1941 :*

*6 pairs blankets, 10 pairs cot blankets, 12 dozen dish cloths, 200 yards cotton for sheets and pillow cases, 3 dozen operating gowns, 6 dozen locker cloths, 100 yards screen cover material, 1 dozen quilts, 6 dozen pillow cases, 3 dozen tea towels, 100 yards winceyette.*

# IMPORTANT.

At the present rate of Income Tax a Subscriber who is paying tax at the 10/- rate can double his subscription without further cost to himself!

## HOW?

BY COMPLETING THE FORM ON THE BACK OF THIS  
PAGE A SUBSCRIPTION OF

assuming Income Tax is at 10/- in the £.

The completion of the Covenant and the signing of a Certificate of deduction of Income Tax (which will be forwarded each year) will enable the Infirmary to claim repayment of Tax on the gross amount of the subscription.

If a subscriber is also liable to pay Sur-tax he is entitled to deduct the gross subscription as a "charge on income," thus obtaining further relief from taxation himself as a result of this arrangement.

In case of death of a subscriber within the seven years the agreement becomes void and does not create any charge on his estate.

The Secretary will be glad to furnish any further particulars desired upon hearing from you.

# Fifty-ninth Annual Report

## OF THE

# Workpeople's Infirmary Fund.

---

The Committee of Representatives of the Workpeople's Infirmary Fund beg to submit their Report for the year ending the 31st December, 1941.

The Statement of Contributions following this Report covers the period of one year to the 30th September, 1941. The Collections from the Mills, Workshops and Business Houses of Preston totalled £27,065 19s. 1d., and from the County Districts £18,684 11s. 9d. The London, Midland and Scottish Railway Servants' Hospital Fund forwarded £1,607 3s. 6d. in respect of treatment rendered to their members, and Bank Interest added £1 10s. 0d., making the total sum £47,359 4s. 4d. To bring these accounts into line with those of the Board of Management (whose financial year ended on the 31st December, 1941) the usual adjustment shown on the Statement has been made. The grand total for the year ending the 31st December, 1941, is, therefore, £48,582 10s. 0d. After payment of the cost of treatment rendered to members and dependents at other Hospitals, and also the administrative expenses, the balance paid over to the Board of Management towards the maintenance of the Infirmary and its Auxiliary Hospitals was £46,349, 15s. 6d., compared with £43,245 12s. 10d. in the previous year, or an increase of £3,104 2s. 8d.

Considering the many thousands of men and women in this district who have been called for service with the forces and the great reconstruction of industry with the consequent transfer of labour to the war effort, the result is one which not only gives great encouragement to those who are actually concerned in the administration, but will afford intense satisfaction to the great body of weekly contributors who, by their generosity and goodwill, have created this splendid record in a year which brought many other claims on their benevolence, and bears witness to the

efforts of the Committee and of the Secretary and his Staff for the extension of the Scheme, with resultant mutual benefit to the Infirmary and the workers generally.

Notwithstanding the difficulties connected with the war, the volume of work carried out for patients during the past year has never been exceeded. The total number treated at the Infirmary was 44,241, or an average of 1,105 per day, 348 as In-patients and 757 as Out-patients. 6,945 patients were treated in the Wards, and 37,296 as Out-patients, including 14,912 accidents and casualties. Attendances at the Out-patient department for advice and treatment totalled 237,013, an increase of 20,037. 1,229 men, women and children received convalescent treatment at the Lostock Hall and "The Willows" Hospitals. It is estimated that about 70 per cent. of the patients received free treatment through the medium of this Fund. The Hospital has met all the calls made upon it in connection with the war effort, and treated a large number of soldiers, sailors, airmen, civil defence workers and evacuees.

The policy of making reciprocal arrangements with Schemes in other centres whereby our members, owing to the special nature of their complaints, or their residence in outside areas, can receive free treatment in other hospitals, has benefited a considerable number of patients during the year, whilst approximately a further 430 have received treatment at the Sharoe Green Hospital. The cost to the Fund of these services was £1,489 5s. 1d.

The Committee regret to record the death of Mr. Charles Ratcliffe, an indefatigable worker, who had served upon the Executive Committee for 15 years in the interests of railway workers.

In view of the increased contribution raised by the Fund for the maintenance of the Infirmary, the Board of Management were pleased to increase the Fund's representation on the Management Committee, and Mr. John Sumner (Hon. Secretary of the Leyland Committee) and Mr. I. Booth (English Electric Co., Ltd.) were appointed as the two additional representatives.

Congratulations were extended to Councillor Arthur Wilson, a representative on the Board of Management on his appointment as a Justice of the Peace for the County Borough of Preston.

The following changes in the Executive Committee have taken place during the year :

Mr. T. Sharp (Preston Docks) took the place of Mr. G. Stopford, retired.

Mr. E. Parkinson (Leyland Motors, Ltd.) was added.

The Committee express their appreciation of the excellent services rendered over many years by Mr. Stopford.

Although Private Ward treatment is not included in the Scheme, the Board of Management, at the request of the Executive Committee, increased the rebate made to Contributors to one guinea per week, and have also granted to Contributors a special rebate from the charges for beds in the Maternity Hospital, which are not covered by the Scheme.

As the benefits of the National Health Insurance Acts have recently been expanded to include all employed persons receiving remuneration not exceeding £420 a year, the Executive Committee have requested the Board of Management to arrange with the Medical and Surgical Staff for the inclusion of salaried workers coming within the new limit.

The Workpeople's Representatives on the Board of Management have reported on their frequent visits to the Wards of the Infirmary and the Convalescent Hospitals that the patients have generally been well satisfied with the treatment they have received. Sincere thanks are tendered to the Medical, Surgical and Nursing Staffs for the skilled attention and devotion extended to the patients. The Representatives have also taken a keen interest in the working of the Hospitals and have been regular in their attendance at the various meetings of the Board of Management. They are satisfied that the administration has been efficiently and economically conducted. The services they have so willingly rendered are heartily appreciated.

The Annual Meeting for the year 1940 was held at the Town Hall, Preston, on the 30th April, 1941, when the usual business of the Fund was transacted and interesting addresses were given by Sir William Ascroft, M.A., D.L., J.P., the Chairman of the Board of Management, on "Administrative Aspects of the Infirmary's Work," and by Dr. F. B. Smith, the Infirmary's Pathologist, on "The Working of the National Blood Bank." Sir William expressed the thanks of the Board of Management for the increased assistance rendered by the Fund during the previous year.

As the Public Hall was not available, owing to the war, the Annual Ball was not held in Preston, but the Longridge Committee were able to hold their Ball at the Co-operative Hall, Longridge, and, as a result, they were able to hand over £56 4s. 1d. in aid of the Infirmary's work. The Committee express their gratitude to the Longridge friends for their wholehearted endeavours. Since the war commenced the number of efforts hitherto made in aid of the Infirmary has considerably decreased. **An appeal is made to organisers of social events not to forget, in their enthusiasm for war charities, the needs of the Infirmary, which is also answering every call made in connection with the war.**

The Committee are exceedingly grateful for the splendid support given to the Fund during the past year, and extend their most cordial thanks to the Wages Staffs in the various Mills, Workshops and Business Houses, those who have worked so hard in gathering in subscriptions and, indeed, to all who have helped to bring about the satisfactory result of the past year. Individual members are reminded that the Collectors give their services voluntarily, and should not be put to any more trouble than is necessary. It would be most helpful if members would send their contributions to the Collector each quarter.

The Committee appreciate the services rendered by all the Collectors in the area, and feel that mention should be made of the efforts of the following Local Committees and Collectors of Individual Subscriptions :

Cordial thanks are also extended to all who have assisted in the organisation and management of the Collections, to the Trustees and Staff of the Preston Savings Bank for receiving

subscriptions and acting as Bankers to the Fund, and to all who have supported it during the past year, not forgetting the Officers, who have rendered splendid service.

The war has placed heavy burdens upon the Infirmary and the Auxiliary Hospitals at Lostock Hall and "The Willows." The large increase in the prices of all commodities, the imposition of the Purchase Tax and war additions to wages and salaries have resulted in the cost of maintenance being forced up to an unprecedented figure.

The Committee therefore suggest that the time has arrived when the members of the Fund should increase the rate of their payment and recommend that an additional one penny per week should be paid to help to cover the increased cost ; such increase, however, not to apply to Old Age Pensioners and persons in necessitous circumstances. The Committee consider that such an increase is amply justified and trust that workers and employers alike will co-operate and bring this about immediately.

In conclusion, the Committee express the hope that, notwithstanding the difficult times through which everyone is passing, the Fund—so vital a part of the Infirmary's organisation—will continue to prosper and become of even greater assistance to the workers than it has been in the past. When the war is won the Board of Management hope to reorganise the Medical and Surgical Staff to bring about an extended and even better service, so that the need to extend the scope and usefulness of the Fund is imperative.

In the meantime, let us all do our utmost to bring the fight for freedom in which the nation is so strenuously engaged to a successful issue, and if possible before the next Annual Report is presented !

On behalf of the Committee.

In order to avoid a fruitless journey, patients residing at a distance are particularly asked to send to the Superintendent, prior to attendance, statements by medical men as to the nature and urgency of their cases.

VISITING DAYS.—In-Patients are allowed to have visitors on Wednesdays from 2 to 3-30 p.m. and Saturdays from 2 to 4 p.m., but not more than two at a time. Two Visiting Tickets are issued in the case of patients in the Adult Wards. These tickets must be produced. There is no general visiting of Child patients. Special visits may be arranged with the Sister of the Children's Ward. Relatives who cannot attend at these times may obtain from Out-Patients' Office special permits to visit on Wednesday evening between 6-30 and 7. Special arrangements will be made for the visitation of patients on the Danger List on application to the Ward Sister or the Superintendent.

HOME PATIENTS.—Recommendations for Medical Relief for persons who are unable to attend at the Hospital must be left at the Dispensary not later than 10 a.m. (Sundays excepted) or they cannot be visited the same day.

THE Secretary will deem it a favour if present Subscribers will help him by sending the names and addresses of others whom they think likely to be interested in the work of the Infirmary and to contribute to its Funds. He will also be pleased to supply Collecting Boxes, and to arrange for Subscribers, authorised representatives of Employees, and friends, to be conducted over the Hospital by appointment.

**"I EXPECT** to pass  
through this world  
but once; any good there-  
fore, that I can do, or any  
kindness that I can show  
to any fellow creature, let  
me **DO IT NOW.** Let  
me not defer or neglect it,  
for I shall not pass this  
way again."
